

Part III Section J, Attachment F**Tenant Agreements****INTRODUCTION**

The Cost tables included in Attachment F-1 provide the estimated budget allocation to be recovered from NRF, USGS, NOAA, Stoller, and BNFL for services provided in FY 2004. Section J, Attachments F-2 through F-9 include copies of the tenant agreements that require INL Contractor interface and services. Section J, Attachment F-6 contains two attachments, one addressing the **Blanket Master Agreement for Services in Support of BEA, LLC & CH2M-WG Idaho Contracts at DOE's Idaho National Laboratory, and the second addressing Other Site Services**. The INL Contractor shall provide the services and interfaces to all tenants in accordance with the agreements included in this section.
