SECTION D - PACKAGING AND MARKING

D.1 DOE-D-2001 PACKAGING AND MARKING (OCT 2014)

- (a) When requested by the DOE CO or the DOE COR in hard copy form, preservation, packaging and packing for shipment or mailing of any work delivered hereunder shall be in accordance with good commercial practice and adequate to ensure acceptance by common carrier and safe transportation at the most economical rate(s).
- (b) Each package, report, or other deliverable required by the Schedule, Performance Work Statement, or other parts of the Contract shall be accompanied by a letter, cover page or other document which:
 - (1) Identifies the Contract and the task order, if applicable, by number pursuant to which the item is being delivered;
 - (2) Identifies the deliverable Item Number or report requirement which requires the delivered item(s); and
 - (3) Indicates whether the Contractor considers the delivered item to be a partial or full satisfaction of the requirement.
- (c) Except as agreed to in writing by the Contracting Officer (CO), for any package, report, or other deliverable being delivered to a party other than the CO, a copy of the document required by paragraph (b), above, shall be simultaneously provided to the CO or the office administering the Contract, as identified in Section G of the Contract.

D.2 SECURITY REQUIREMENTS

The Contractor shall comply with the security requirements for packaging, marking, mailing, and shipping classified materials as prescribed by applicable U.S. Department of Energy (DOE) and/or Nuclear Regulatory Commission safeguards and security requirements.
